Funeral Reception

Coming to terms with the loss of a loved one is something we all experience at some stage in our lives. As well as coping with the grief there is the additional burden of arranging refreshments for family and friends at short notice.

If you are making funeral arrangement we can help organise the wake with sensitivity and kindness. Leave it with us and we will endeavour to provide a fitting occasion to ensure that your loved one will be remembered with dignity.

We pride ourselves on providing a professional but informal service and our aim is naturally to maintain to the highest of standards.

Maylands can accommodate small and intimate gatherings through to larger wakes for up to 150 guests. Various catering options are available including afternoon tea and finger buffets.

We aim to ensure a stress free reception or wake giving you private time with relations and friends in one of our function rooms. Our Main Hall overlooks our beautiful golf course and is surrounded by natural sunlight.

A WARM & FRIENDLY ATMOSPHERE

Our experienced and professional team of staff will make sure you are completely satisfied with all aspects of your day. Our function co-ordinator will help you plan your wake. We pride ourselves on our attention to detail and understand the need to ensure that everything is just perfect for your day.
